

Chocolate Chip Cookies

This is the recipe my mom used to teach me how to bake when I was about 8 years old. But this recipe always reminds me of my three younger brothers who would devour them whenever I made them. It also brings to mind when I made them for our neighbourhood Coronation Street Party – they were gone within 5 minutes! So, these cookies remind me of my family in America, but they also bring people together here in England. – K.Floyd

2 cups brown sugar

1 cup butter

2 eggs, beaten

3 Tablespoons water

1 teaspoon vanilla

3 cups flour

1 teaspoon baking powder

1 ¼ teaspoon baking soda

¼ teaspoon salt

12 ounces chocolate chips (mix of dark and milk works best)
